

Free and Reduced Price Meal Policy for 2019-20 School Year

The Delaware Department of Education announces the 2019-20 U.S. Department of Agriculture policy for free and reduced price meals for children unable to pay the full price for meals served under the National School Lunch Program, School Breakfast Program, and After School Snack Program. Each participating school and its administrative office has a copy of the policy, which may be reviewed by any interested party.

Meal benefit forms will be sent home with a letter to families. To apply for free or reduced price meals, families should fill out the form for their households and return it to the school. The information provided on the form will be used for the purpose of determining eligibility and may be verified at any time during the school year by program officials. Information on the form may not be used for any other purpose unless consent is granted by parent/guardian.

For program officials to determine eligibility, households receiving Supplemental Nutrition Assistance Program (SNAP) benefits and/or Delaware Temporary Assistance for Needy Families (DE-TANF) must list the child's name, SNAP and/or DE-TANF case number, and provide a signature and name of an adult household member. Households not receiving SNAP and/or DE-TANF must list: names of all household members; the amount of the gross income for each household member received last month; the income source and how often received; the signature of an adult household member; and that adult's last four digits of social security number, or the word "none" or "No Social Security Number" box marked if the adult does not have a social security

number. The form may be submitted at any time during the school year.

Under the provisions of the free and reduced price policy, the school nutrition services supervisor will review forms and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may discuss the decision with the determining official on an informal basis. Parents or guardians wishing to make a formal appeal may make a request either orally or in writing to the administrative office for a hearing on the decision.

Children who are enrolled in Head Start or who are homeless, migrant, runaway or in foster care are eligible for free school meal benefits. In certain instances, children receiving WIC may also be eligible. Parents or guardians wishing to apply should follow the instructions on the form or contact their school for more information.

Households may report changes or reapply for meal benefits anytime during the school year. The information provided by the household is confidential and will be used only for purposes of determining eligibility and verifying data.
